

Report on the Use of the Promotion of Reading Grant
2022-2023

Part 1: Evaluation of the Effectiveness

1. Evaluation of the objectives:

With the organization of the reading-related activities, a wide variety of both printed and e-reading resources and the weekly conducted Reading Period, the objectives to promote reading could be achieved.

2. Evaluation of the strategies:

An increasing number of books available for borrowing and the availability of the web-based reading programme and platform have promoted a good reading atmosphere. Students could enjoy reading anywhere and anytime using electronic devices and choose from wide-ranging reading resources including news articles and magazines to satisfy their curiosity to learn and strengthen their own reading abilities.
